The international relation office of your university must check the level of French required in the agreement between your institution and ours. They are not required to provide a certificate of French language. However, they must take an online test (duration 15 minutes) when you apply on the Moveon platform. We strongly advise them to answer the test honestly (don't cheat or ask someone else to do it for them). This will allow them to know your real level of French and will allow us to direct you to free evening French classes (4 hours per week).
