OBJECT: Selection procedures for the admission of candidates to the PhD Programs - XXXIX cycle – Academic Year 2023/2024. Amendment of the Call for Admission.

Relating to the Call for Admission for the selection procedures for the admission of candidates to the PhD Programs - XXXIX cycle – Academic Year 2023/2024 issued by Rector's Decree no. 658/2023 (Prot. n. 155814 del 27/06/2023), we inform that by Rector's Decree no. 750/2023 (Prot n. 175229 del 11/07/2023):

In Article 17 – List of PhD Courses, for the PhD course in "Industrial Innovation Engineering" (venue: Reggio Emilia), file 6), the places covered by scholarships have increased, as part of the selection procedure main, from 5 to 6.
For the PhD course in "Physics and Nanosciences", file 12), in relation to the exam calendar, both for Selection 1 (Main) and for Selections 2, 3, 4, 5 "In case of a high number of candidates, the interview will continue on 4 September 2023, at 9.00" and not "on 4 September 2022" as indicated, due to a mere clerical error.

All other provisions referred to the Call for Admission issued with D.R. n. 658/2023 (Prot. n. 155814 del 27/06/2023) remain unchanged.
